PUBLIC HEARING:

4. Sierra College Boulevard/Interstate 80 Interchange Improvement Project Draft Environmental Impact Report (DEIR)

Mayor Lund opened the Public Hearing.

Senior Planner Dave Mohlenbrok presented the staff report and stated that comments and questions were in order for tonight's hearing and that no decisions were required tonight.

Ron Boyle, Project Manager for Omni Means, gave a brief overview of the project mentioning the three alternatives, bike lanes, added travel lane on bridge, and timing for the bid process.

Bill Mayer, Project Manager for LSA Associates, mentioned the following issues:

- combined EIR and environmental assessment
- land use conformance to general plan
- 76-station demolition
- construction vehicles
- reduction in noise
- water quality
- minimum disturbance of wetlands
- innovative tree replacement program
- cultural resources
- hazardous waste/Chevron clean up prior to construction
- light and glare/character change to nighttime sky

Candy Lentz, 4960 Sierra College Blvd., spoke to the issues of area wildlife and increased traffic.

Gary Cheris, Sierra College Blvd. Baptist Church, 4800 Sierra College Blvd., spoke to the issues of speed limits and having an acceleration lane to enter and exit the church parking lot.

Council had questions and made clarifications relating to air district issues and the Bickford Ranch commercial development.

Mayor Lund mentioned that the deadline for comments was 5:00 p.m. on October 17, 2003.

There being no further public comments, Mayor Lund closed the Public Hearing.
